NOTE BY THE TECHNICAL SECRETARIAT

**CALL FOR NOMINATIONS FOR A GENERAL TRAINING COURSE ON THE
CHEMICAL WEAPONS CONVENTION FOR NATIONAL AUTHORITIES AND
RELEVANT STAKEHOLDERS IN LATIN AMERICA AND THE CARIBBEAN
LIMA, PERU
3 – 5 DECEMBER 2024**

1. The Technical Secretariat of the OPCW (the Secretariat) is pleased to announce that a three-day general training course on the Chemical Weapons Convention (the Convention) and the national obligations thereunder will be held in Lima, Peru, from 3 to 5 December 2024 for the personnel of National Authorities and relevant stakeholders in the Latin America and the Caribbean region.
2. The purpose of the course is to assist States Parties in complying with their obligations under the Convention by enhancing the knowledge and skills of the personnel of National Authorities and relevant stakeholders.
3. The general training course is intended primarily for personnel of National Authorities and their relevant stakeholders, who are responsible for the specific tasks involved in the implementation of the Convention at the national level, and who have little or limited knowledge in this area. The course will include both theoretical and practical exercises. The provisional programme for the course is attached as the Annex to this Note.
4. The objectives of the training course are to:
 - (a) strengthen the understanding of the Convention and relevant obligations among personnel of National Authorities of States Parties;
 - (b) improve the capacity of National Authorities to design and deliver national training courses on Convention implementation; and
 - (c) enhance the capacities of National Authorities to identify and engage relevant national stakeholders in the implementation of the Convention.
5. The course will be conducted in English and Spanish, with interpretation services between the two languages. Participants are therefore expected to have a good command, both written and oral, of English and/or Spanish.
6. States Parties whose nationals have not previously participated in basic or similar courses organised by the Secretariat are particularly encouraged to nominate candidates for participation. Priority will be given to one candidate from each such State Party.

7. National Authorities are expected to identify new personnel or important national stakeholders who are suitable applicants, and to bring this opportunity to their attention. National Authorities are strongly encouraged to nominate and endorse female participants for this event. Nominees who have previously participated in a basic course for personnel of National Authorities will not be considered.
8. Applicants nominated by the National Authority should submit their applications online through Eventus—the OPCW event management system (<https://eventus.opcw.org/>)—no later than Friday, 11 October 2024. All applications must be electronically endorsed by a designated approver from the National Authority. This will be followed by a final review by the Secretariat.
9. Nominated applicants are required to complete the international cooperation and assistance e-learning modules 1 to 4 before the application deadline (11 October 2024). The international cooperation and assistance e-learning modules can be accessed through the OPCW website (<https://learn.opcw.org/course/index.php?categoryid=21>). Access is free and requires a one-time registration. After registering online, users can access the e-learning material.
10. Applicants are requested to submit certificates of completion of the international cooperation and assistance e-learning modules 1 to 4 via email to Mr Alberto Fernandez (alberto.fernandez@opcw.org) well before the application deadline. Completion of other modules is optional.
11. The Secretariat will sponsor one participant per State Party. For sponsored participants, the Secretariat will cover the costs of travel, accommodation, meals, and medical insurance for the duration of the course, and will provide a limited subsistence allowance to cover sundry expenses. The Secretariat will not pay for medical assistance. Participants should therefore be fit to travel. All participants taking prescribed medication should arrive with supplies sufficient for the duration of the event.
12. The Secretariat will arrange accommodation for all sponsored participants. Participants who do not intend to use this accommodation are requested to indicate this no later than four weeks before the course starts, so that the Secretariat does not incur hotel cancellation fees. In any case, the Secretariat will not cover the costs of any accommodation it has not arranged itself.
13. Participants are requested to obtain any necessary visas (including transit visas) before travelling to Peru. When applying for any required entry visas, they should present a copy of the acceptance letter from the OPCW to the Embassy or Consulate of Peru.
