

DECISION

SCALE OF ASSESSMENTS FOR 2025

The Conference of the States Parties,

Recalling that paragraph 7 of Article VIII of the Chemical Weapons Convention (the Convention) and Regulation 5.1 of the Financial Regulations and Rules of the OPCW require that annual contributions to meet the costs of the OPCW's activities be paid by States Parties in accordance with the United Nations scale of assessments, adjusted to take into account differences in membership between the United Nations and the OPCW;

Recalling also that subparagraph 21(b) of Article VIII of the Convention and Regulation 3.7 of the Financial Regulations and Rules of the OPCW stipulate that the Conference of the States Parties shall decide on the scale of financial contributions to be paid by States Parties;

Bearing in mind that its draft decision on the Draft Revised Programme and Budget of the OPCW for 2025 (C-29/DEC/CRP.1, dated 21 October 2024) calls for assessed annual contributions by States Parties totalling EUR 80,016,754;

Recalling that, according to Financial Regulation 5.4, assessed annual contributions to the OPCW Programme and Budget shall be due and payable in full within 30 days of the receipt of communications from the Director-General informing the States Parties of their commitments, or on the first day of the financial period to which the communications relate, whichever is later;

Bearing in mind that the United Nations General Assembly established a scale of assessments for 2022 to 2024 at its seventy-sixth session (A/RES/76/238, dated 24 December 2021), and that it is expected to determine a new scale of assessments¹ for 2025 to 2027 by the end of 2024 or early 2025; and

Affirming that it is crucial to the funding of OPCW activities for 2025 that the Technical Secretariat receive assessed annual contributions early in that new financial year;

Hereby:

1. **Adopts** a scale of assessments for annual contributions to the OPCW Programme and Budget for 2025 that shall be adjusted to take into account differences in membership between the United Nations and the OPCW and shall be based on:

¹ The United Nations Committee on Contributions at its eighty-fourth session (A/79/11) decided to review the scale of assessments for the period 2025 to 2027.

- (a) the United Nations scale of assessments for 2025, if the General Assembly determines the United Nations scale of assessments for 2025 by the end of 2024; or
 - (b) the United Nations scale of assessments for 2024, if the General Assembly does not determine the United Nations scale of assessments for 2025 by the end of 2024; and
2. **Calls upon** all States Parties to pay their assessed annual contributions for 2025, in full and on time, in accordance with Regulation 5.4 of the Financial Regulations and Rules of the OPCW.

Based on the United Nations scale of assessments established for 2022 to 2024 by the United Nations General Assembly at its seventy-sixth session (A/RES/76/238), adjusted for differences between the membership of the United Nations and the OPCW's membership of States Parties. In addition, it may be noted that a change of methodology of calculation is currently under consideration by the United Nations which may affect the final figures in the United Nations scale of assessments for 2025 to 2027.
